Part III.

- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
- ☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

m.m.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Language of claims 15, 17 and 19. The claims are directed to methods of inducing immunity. The Examiner requested that the claims indicate the etiologic agent to which immunity was sought. Mr. Majarian agreed to an Examiner's Amendment of the claims and submitted a draft of the proposed modifications/amendments by fax transomission on Jan. 05, 2004. The draft is attached.
